[LIVE](#) | [REPO](#)

Anonymous voting application built with React, JavaScript and Firebase that allows users to create, find, vote on, and view poll results. Accessible & responsive.

WORK EXPERIENCE

Website + Social Media Coordinator / Administrator - Dianna Witte Gallery - Toronto

2012 - Present

- Led redesign of website using Squarespace. Improved user experience, SEO rankings.
- Maintained domain/email hosting through GoDaddy/Mecca. Created Google Workspace accounts to streamline emails/document sharing. Device bluetooth/wifi troubleshooting.
- Increased gallery audience by developing a strong social media presence on Instagram (0 to 7000+ followers) & email campaigns using Mailchimp/Squarespace.
- Completed training program to improve online marketing. Implemented techniques (calls-to-action/posting schedule) across website & social media.
- Organized numerous projects annually (exhibitions & off-site projects). Worked directly with up to 25 artists to develop press releases, consignment agreements and online presentations of works.

Artist - Self-Employed - Toronto

2012 - Present

- Initiated development & creation of projects from brainstorming to research, production, mounting and presentation.
- Awarded Exhibition Assistance grant by the Ontario Arts Council for solo show of photo-based artwork in May of 2022 as Core Exhibition of the Scotiabank CONTACT Photography Festival.
- Customized portfolio website with e-commerce feature using Format.

Header Framer / Assistant Framer - Deserres - Toronto

2017 - 2022 / 2014 - 2017

- Designed framing solutions through collaboration & attention to preferences/budgets (ranges up to \$2000).
- Proven time management, often delivering projects in advance of deadline.
- Improved organization, training & communication for framing staff (ex. created reference materials).
- Trained 3 consultants on procedures and best practices in designing, art handling and framing.
- Collaborated with other framing departments to problem solve & share production responsibilities when required.
